

**Fighting Fish  
Weekly Update  
22 September, 2008**

### **Malaysian GetAway**

Thanks to all who participated in the Malaysian GetAway last weekend. We had over half the team attend and a *swimmingly* great time was had by all. Special thanks to all the coaches who attended and to Jill Danielson, who organized the event.

### **Question and Answers**

Still have Fighting Fish questions? We will be holding an informal question and answer session on Friday at the High School pool office (adjacent to the High School pool) from 3:30 to 4:30. Stop by anytime with your questions. Last chance before time trial and Toh Payoh meet entries close!

### **Time Trials**

Just a reminder that Time Trials registration closes 30 September. Make sure your entries are in by then!

### **All Nations Cup**

Entries for All Nations Cup in Singapore close 05 October. The event is held 01 - 02 November at the Toh Payoh pool. Permission forms are available in the SACAC office and are due, along with \$10 entry fee per swimmer, by 10 October.

### **Hari Raya**

Wednesday, 01 October is a Public Holiday and there will be no swim practice this day.

### **Last Year's Trophies**

The SACAC office still has participation trophies from last year. If your child swam last year and has not yet received their participation trophy, please stop in the SACAC office to collect. Trophies not collected by Friday will be removed.

### **Attendance**

Please click on the links above to check on your child's attendance for the past 2 weeks. Adjustments will no longer be made to attendance records. If your child's attendance is incorrect, please remind them to sign in before jumping into the water at each swim session. Attendance sign in sheets are put out before 3pm each day and left until 6pm, giving the swimmers ample time to sign in.
